## The Mulwray at The Blue Posts...

The Mulwray is a richly decorated saloon bar located above The Blue Posts. Connemara marble and satin brass details contrast with furnishings in soft pink. The room is animated with floor to ceiling drinks cabinets, crammed with liquor and fine wines.

The Mulwray's drinks list boasts exceptional craft liquors and spirits from boundary-pushing distilleries across the globe. The wine list includes both producers of the moment as well as lesser-known gems from small-scale winemakers. At the top end, a changing selection of wines bought in tiny allocations.

## Exclusive hire...

Perfect for exclusive cocktail parties, the bar can be privatised for up to 50 guests standing at any one time.

The drinks menu can be tailored to each event, with a snacks menu available on request.

Minimum spends vary based on day of the week and time of year. Please contact [hello@themulwray.co.uk](mailto:hello@themulwray.co.uk) for pricing and availability
